It is agreed the buyer will pay all invoices within the stated terms and agrees to all terms contained in invoices supplied by seller as may be amended from time to time. In the event payment is not timely made, the buyer also agrees to pay a time-price difference charge (service charge) of the lesser of 1 ½ % per month (18 % per annum) or the maximum lawful rate on all overdue amounts, and to pay all collection costs incurred by seller in enforcement of the terms and conditions of this agreement, including court costs, actual reasonable attorney's fees and collection agency fees, within the standards of the industry, but not less than 25 % of the unpaid amount of principal and accumulated service charge, all without relief from valuation and appraisement laws.

The buyer further grants to seller a security interest in buyer's equipment, contract rights, inventories, receivables and proceeds of sales as collateral to secure the buyer's performance of all obligations. The buyer hereby appoints any employee, agent, or attorney of seller as buyer's attorney in fact to endorse and file on behalf of buyer any UCC 1 form to perfect or record the security interest.

All the information supplied by buyer is correct to the best of the knowledge of the undersigned, and the buyer understands that all goods or services purchased from seller are subject to all terms and conditions contained in this credit application and agreement and all other terms and conditions contained on any of the sellers invoices.
